

Hey, you! Yes you! Are you outside the Gender Binary? If yes, then you're cool enough for this poster! Please fill out this survey! It's for science! Love you <3
If not, there's still time to figure yourself out

gendercensus.com

This annual survey has been running since 2013, with easy-to-read results published in full every year.

It's open to anyone anywhere who speaks English and feels that the gender binary doesn't fully describe their experience of themselves and their gender(s) or lack thereof.

survey deadline: 13. August 2026
